Filing Instructions for the Local Form Chapter 13 Plan

The Local Form Chapter 13 Plan is a fillable PDF document that contains active programming elements. Once the PDF fillable document is completed with all necessary information, it must be converted to a PDF format that eliminates the active programming elements so that it can be filed on the Court's electronic case filing system, known as CM/ECF.

Converting The Fillable PDF Document to a PDF Format That May Be Filed (Mandatory)

The fillable PDF document can be converted to a PDF format that eliminates the active programming elements so that it is acceptable to use for uploading to CM/ECF in at least two ways:

1. The user can "print to PDF" by following these steps:
 - Open completed form
 - Click on the PRINT button on the form.
 - Printer dialogue box opens – select "Adobe PDF" as the printer.
 - Click on print button – this will create a non-editable form ready to be filed on CM/ECF. You will be asked to name the document for saving in your local directory.
 - *Note that it is recommended that users create a different name for the PDF document to be filed so that the fillable PDF format document is retained for future editing if necessary.*

2. The user can physically print the PDF form and then scan the paper copy into a PDF document to use for filing by following these steps:
 - Open completed form.
 - Click on the PRINT button on the form.
 - Printer dialogue box opens – select your printer.
 - Scan the paper document and save as a PDF document for filing on CM/ECF.

Saving the Fillable PDF Document for Further Editing (Recommended)

It is recommended that users first save the fillable PDF document to a local directory on their computer. Once that is done, the form should retain information that is input so that it populates to the form when opened later. If a user anticipates that a Chapter 13 Plan may be modified in the future, it will be important to save a copy of the Chapter 13 Plan as a fillable PDF document (i.e., keep a copy in PDF fillable format even though you will need to print it to file the original version of the form to file it as described above).

To save the fillable PDF document to a local directory, follow these steps:

- From the Adobe Menu Bar Select "File"
- Then, select "Save" or "Save As" and type a name for the document
- Save to your local directory on your computer

I. NOTICES

To Debtors: Plans that do not comply with local rules and judicial rulings may not be confirmable. All plans, amended plans and modified plans shall be served upon all creditors by the Debtor and a certificate of service shall be filed with the Clerk.

"Collateral" as used in this Chapter 13 Plan means the property securing a claim.

If the Debtor intends to determine the secured status of a claim pursuant to 11 U.S.C. § 506, or if the Debtor intends to avoid the fixing of a lien that impairs the Debtor's exemption pursuant to 11 U.S.C. § 522(f), then the Debtor must do two things: (1) indicate the Debtor's intention in this Chapter 13 Plan in the space below; and (2) file a separate motion pursuant to 11 U.S.C. § 506 or 11 U.S.C. § 522(f) following the Contested Matter Procedure or local rules adopted after December 1, 2017. If a separate motion is not filed then the Debtor will not be entitled to relief pursuant to 11 U.S.C. § 506 or 11 U.S.C. § 522(f).

The Debtor must check the appropriate box (Included or Not Included) in the chart below. If an item is checked as "Not Included," or if both boxes are checked, the provision will be ineffective if later set out in this Chapter 13 Plan.

To Creditors: Your rights may be affected by this Chapter 13 Plan. **You must file a timely proof of claim in order to be paid.** See Fed.R.Bankr.P. 3002. Your claim may be modified or eliminated. You should read this Chapter 13 Plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the Chapter 13 Plan's treatment of your claim or any provision of this Chapter 13 Plan, you or your attorney must file an objection to confirmation **no later than 7 days before the date set for confirmation of the Chapter 13 Plan**, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this Chapter 13 Plan without further notice if no objection to confirmation is filed. See Fed.R.Bankr.P. 3015.

This Chapter 13 Plan does not allow claims. The fact that your claim is classified in this Chapter 13 Plan does not mean that you will receive payment.

To All Parties: The Chapter 13 Plan contains no non-standard provisions other than those set out in Section VII. The Debtor must check one box in the chart below indicating whether any non-standard provision is Included or Not Included in Section VII of this Chapter 13 Plan.

Unless otherwise ordered by the Court, the amounts listed on a proof of claim filed before the filing deadline under Fed.R.Bankr.P. 3002(c) control over any contrary amounts listed above as to the current installment payment and arrearage. In the absence of a contrary, timely filed proof of claim, the amounts stated above are controlling. If relief from the automatic stay is ordered as to any item of Collateral listed in this Section, then, unless otherwise ordered by the Court, all payments under this paragraph by the Chapter 13 Standing Trustee as to that Collateral will cease, and all secured claims based on that Collateral will no longer be treated by this Chapter 13 Plan.

The Debtor shall pay current real property taxes, personal property taxes, and insurance for property (Collateral) to be retained prior to and after confirmation of any Chapter 13 Plan.

3.2. Secured Claims Subject to Valuation Motion.

- None.** *If "None" is checked, the rest of this subpart need not be completed or reproduced.*
 The Debtor intends to seek an order of the Bankruptcy Court valuing a claim pursuant to 11 U.S.C. § 506.

Secured Claims that are Subject to a Separate Motion or Adversary Proceeding Based on Valuation.

Valuations under 11 U.S.C. § 506 may be sought to determine how a secured creditor's claim will be treated in a chapter 13 plan. This Chapter 13 Plan does not value claims. To value a claim pursuant 11 U.S.C. § 506, the Debtor must file and serve a separate motion pursuant to Fed.R.Bankr.P. 3012, 7004 and 9014(b). Any other form of relief sought by a debtor, including a determination of the extent, validity, and/or priority of a secured creditor's lien, must be determined in an adversary proceeding pursuant to Fed.R.Bankr.P. 7001.

The information provided below is for information purposes only, and the Debtor's valuation stated herein is subject to change, without the need to modify this Chapter 13 Plan, based on the resolution of any motion or adversary proceeding on valuation. The amount of the creditor's claim in excess of the valuation determined by the Court for the Collateral shall be treated with other general unsecured claims and paid *pro rata* provided that the creditor timely files a proof of claim.

The Debtor intends to file a motion requesting that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the Debtor states that the value of the secured claim should be as set out below. For secured claims of governmental units, unless otherwise ordered by the Court, the value of a secured claim listed in a proof of claim controls over any contrary amount listed below. For each listed claim, the value of the secured claim as determined by the Court will be paid in full with interest at the rate stated below, upon an order of the Court on the Debtor's Motion.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Section V of this Chapter 13 Plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Section V of this Chapter 13 Plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below will retain the lien on the Collateral of the Debtor or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate.

None. *If "None" is checked, the rest of this subpart need not be completed or reproduced.*

The Debtor is seeking to avoid the fixing of judicial liens pursuant to 11 U.S.C. § 522(f). Judicial liens or nonpossessory, nonpurchase money security interests securing the claims may be avoided to the extent that they impair the exemptions under 11 U.S.C. § 522(f) as listed below. A separate motion must be filed and served pursuant to Fed.R.Bankr.P. 7004 and applicable local rules.

To avoid liens pursuant to 11 U.S.C. § 522(f), the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed.R.Bankr.P. 3012, 7004 and 9014(b). The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The details below are provided for informational purposes only, and are subject to change, without the need to modify this Chapter 13 Plan, based on the resolution of the Debtor's motion to avoid lien. The amount of the creditor's avoided lien, if any, shall be treated with other general unsecured claims and paid *pro rata* provided that the creditor timely files a proof of claim. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Section IV or V as applicable, to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid in full as a secured claim under this Chapter 13 Plan. *See*, 11 U.S.C. § 522(f) and Fed.R.Bankr.P. 4003(d). 4.1 Applicability Of Post-Petition Interest.

The Chapter 13 Standing Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in Section 4.4, will be paid in full without post-petition interest. If the court determines the Debtor is solvent or is to be treated as solvent under this Chapter 13 Plan, the Court may order post-petition interest be paid on claims.

If this Chapter 13 Plan proposes to pay post-petition interest on priority claims because the Debtor is being treated as if he or she were solvent, then interest shall be paid, if applicable, as follows: 18% interest per annum to creditors holding priority and general unsecured, municipal tax claims; 12% interest per annum to the State of Connecticut Department of Revenue Service's priority and general unsecured state tax claims; and, _____% interest per annum to the Internal Revenue Service's priority and general unsecured federal tax claims.

4.2 Trustee's Fees.

The Chapter 13 Standing Trustee's fees are governed by statute and may change during the course of the case but are estimated to be 10% of plan payments.
