The Local Rules of Bankruptcy Procedure govern the practice and procedure in the United States Bankruptcy Court for the District of Connecticut (the "Bankruptcy Court"), in all cases under Title 11 of the United States Code (the "Bankruptcy Code"). The Local Rules of Bankruptcy Procedure supplement, but do not replace the Federal Rules of Civil Procedure, the Federal Rules of Evidence, the Federal Rules of Bankruptcy Procedure, or the Local Rules of Civil Procedure of the United States District Court for the District of Connecticut.
- (2)** The Appendices to the Local Rules of Bankruptcy Procedure may be modified by the Bankruptcy Court without the necessity of a formal amendment to the Local Rules of Bankruptcy Procedure.
- (3)** These Local Rules of Bankruptcy Procedure shall be effective August 2, 2021 (the "Effective Date").
- (4)** Upon the Effective Date, the Local Rules of Bankruptcy Procedure effective September 4, 2018, (but not Chambers Orders or Procedures) are hereby vacated and superseded.

(b) Incorporation of District Court Rules.

The [Local Rules of Civil Procedure of the United States District Court for the District of Connecticut](#) shall apply in all cases or proceedings in the Bankruptcy Court to the extent they are relevant and not inconsistent with the [Bankruptcy Code](#), the [Federal Rules of Bankruptcy Procedure](#), or these [Local Rules of Bankruptcy Procedure](#).

If a Debtor that is not an individual files a petition without an attorney, the Court may dismiss the case without notice, either *sua sponte*, or on motion of a party-in-interest after notice and an opportunity for a hearing.

If an agent on behalf of an individual, such as a court-appointed conservator, court-appointed guardian or the holder of an unexpired power of attorney or other authority pursuant to non-bankruptcy law files a pleading/document with the Court, the filer shall file evidence of such authority and shall attach such authority simultaneously with the pleading/documents filed on behalf of the individual. - (d) Filing fees may be paid by cash, certified check, money order, check drawn on an attorney's account, an approved credit card, or through Pay.gov. The Clerk may refuse to accept personal checks and checks from an attorney filing their personal petition, and may also refuse to accept a check from any person who is known by the Clerk to have previously presented a form of payment that was subsequently refused.  - (3) any carve-outs, or subordinations, from liens or super priorities;
 - (4) any cross-collateralization provision that elevates pre-petition debt to administrative expense (or higher) status or that secures pre-petition debt with liens on post-petition assets (which liens the creditor would not otherwise have by virtue of the pre-petition security agreement or applicable law);
 - (5) any provision that applies the proceeds of post-petition financing to pay, in whole or in part, pre-petition debt or which otherwise has the effect of converting pre-petition debt to post-petition debt (i.e., any “roll-up” provision);
 - (6) any provisions that would affect the Court’s power to consider the equities of the case under 11 U.S.C. § 552(b)(1);
 - (7) any terms that provide that the use of cash collateral or the availability of credit will cease on (i) the filing of a challenge to the lender’s pre-petition lien or the lender’s pre-petition claim based on the lender’s pre-petition claim; (ii) entry of an order granting relief from the automatic stay other than an order granting relief from the stay with respect to material assets; (iii) the grant of a change of venue with respect to the case or any adversary proceeding; (iv) management changes or the departure, from the Debtor, of any identified employees; (v) the expiration of a specified time

- (c) **Inadequacy of Notice After Event of Default.**
- (1) If the proposed order contains a provision that modifies or terminates the automatic stay or permits the lender to enforce remedies after an event of default, either the proposed order shall require at least seven (7) days' notice to the trustee or debtor in possession, the United States Trustee and each committee appointed under 11 U.S.C. §§ 1102 or 1114 (or the 20 largest creditors if no committee has been appointed under 11 U.S.C. § 1102), before the modification or termination of the automatic stay or the enforcement of the lender's remedies, or the motion shall explain why such notice provision is not contained in the proposed order.
 - (2) If the proposed order contains a provision that terminates the use of cash collateral, either the proposed order shall require at least five (5) days' notice before the use of cash collateral ceases (provided that the use of cash collateral conforms to any budget in effect) or the motion shall explain why such notice provision is not contained in the proposed order.

- (e) **Investigation Period Relating to Waivers and Concessions as to Prepetition Debt.** If a motion seeks entry of an order in which the Debtor stipulates, acknowledges, or otherwise admits to the validity, enforceability, priority, or amount of a claim that arose before the

commencement of the case, or of any lien securing the claim, either the proposed order shall include a provision that permits a committee appointed under 11 U.S.C. § 1102 and other parties-in-interest to undertake an investigation of the facts relating thereto and proceedings relating to such determination, or the motion shall explain why the proposed order does not contain such a provision. The minimum time period for such committee or other party-in-interest to commence, or to file a motion to obtain authority to commence, any related proceedings as representative of the estate shall ordinarily be sixty (60) days from the date of entry of the order authorizing the use of cash collateral or the obtaining of credit, or such other period of time as the Court orders for cause shown prior to the expiration of such period.

(1) **Findings of Fact.**

- (A) A proposed emergency or interim order shall include a finding that immediate and irreparable loss or damage will be caused to the estate if immediate financing or authorization of use of cash collateral is not obtained and should state with respect to notice only that the hearing was held pursuant to FRBP 4001(b)(2) or (c)(2), that notice was given to certain parties in the manner described, and that the notice was, in the Debtor's belief, the best available under the circumstances.
- (B) A proposed order may include factual findings as to notice and the adequacy thereof.
- (C) To the extent that a proposed order incorporates by reference to, or refers to a specific section of, a pre-petition or post-petition loan agreement or other document, the proposed order shall also include a statement of such section's import.

- (2) **Cross-Collateralization and Rollups.** Unless otherwise determined by the Court, a proposed order approving cross-collateralization or a rollup shall include language that reserves the right of the Court to unwind, in whole or in part, after notice and hearing, the post-petition protection provided to the pre-petition lender or the pay down of the pre-petition debt, whichever is applicable, in the event that there is a timely and successful challenge to the validity, enforceability, extent, perfection, or priority of the pre-petition lender's claims or liens, or a determination that the pre-petition debt was undersecured as of the petition date, and the cross-collateralization or rollup unduly advantaged the lender.

- (3) **Waivers, Consents, or Amendments with Respect to the Loan Agreement.** A proposed order may permit the parties to enter into waivers or consents with respect to the loan agreement or amendments thereof without the need for further Court approval provided that (i) the agreement as so modified is not materially different from that approved, (ii) notice of all amendments is filed with the Court, and (iii) notice of all amendments (other than those that are ministerial or technical and do not adversely affect the Debtor) are provided in advance to counsel for any committee appointed under 11 U.S.C. §§ 1102 or 1114, all parties requesting notice, and the United States Trustee.
- (4) **Conclusions of Law.** A proposed order may provide that the Debtor is authorized to enter into the loan or other agreement, but it shall not state that the Court has examined and approved the loan or other agreement, unless specifically authorized by the Court.
- (5) **Order to Control.** The proposed order shall state that to the extent that a loan or other credit agreement differs from the order, the Court Order shall control.
- (6) **Statutory Provisions Affected.** The proposed order shall specify those provisions of the Bankruptcy Code, Bankruptcy Rules, and Local Rules relied upon as authority for granting relief, and shall identify those sections that are, to the extent permitted by law, being limited or abridged.

e. Exemption from Electronic Filing.

Exemption from electronic filing is available only upon motion granted for cause shown in exceptional circumstances, and attorneys seeking an exemption must follow the instructions in Section 14 of these Administrative Procedures.

2. REGISTRATION AND TRAINING

a. Required Registration Procedure for CM/ECF Filers.

i. Eligibility for Registration as a CM/ECF Filer.

The following persons are eligible to request electronic filing privileges as a CM/ECF Filer to the Court's CM/ECF system: (a) attorneys admitted to practice in the United States Bankruptcy Court for the District of Connecticut, including those admitted *pro hac vice*; (b) case trustees; (c) United States Trustees and Assistant United States Trustees; (d) United States Attorneys and Assistant United States Attorneys; and (e) other parties the Court determines appropriate.

Attorneys who are acting as trustees must separately apply for electronic filing privileges from his/her PACER account he/she uses for cases in which he/she is acting as a trustee. The request for CM/ECF Trustee electronic filing privileges will be processed separately from any request for electronic filing privileges as an attorney.

In order to request electronic filing privileges to the Court's CM/ECF system as a CM/ECF Filer, a person must first have an individual PACER account. Once a PACER account is obtained, he/she then requests electronic filing privileges to the Court's CM/ECF system through their PACER account. Additionally, the applicant must then complete and submit a Filer Registration form ([ECF Form 1](#)) or *Pro Hac Vice* Registration form ([ECF Form 1a](#)). The registration form is a local form prescribed by the Clerk of Court and requires the CM/ECF Filer's name, bar number, address, telephone number, e-mail address and, in the case of an attorney, a declaration that the attorney is admitted to practice in this Court or is seeking admission to practice before this Court. The registration form and any supporting documentation shall be e-mailed directly to the Clerk's Office at this e-mail address: ctb_ecf_registrations@ctb.uscourts.gov.

ii. Training for CM/ECF Filers.

Prior to approving an application for electronic filing privileges as CM/ECF Filer, all CM/ECF Filer applicants must successfully complete the Court's test for CM/ECF Filers, unless the CM/ECF Filer applicant specifies that he/she has electronic filing privileges with another court's CM/ECF system. The test is attached to the registration form. CM/ECF Filer applicants may train through PACER's on-line CM/ECF training modules and may request access to the Court's CM/ECF "TRAIN" environment.

If the test is not satisfactorily completed, the Clerk of Court may require the CM/ECF Filer applicant to participate in further training.

CM/ECF Filer applicants with approved CM/ECF filing privileges with a United States Circuit Court of Appeals, United States District Court, or another United States Bankruptcy Court will be approved CM/ECF Filer privileges to the Court's CM/ECF system upon completion of the first two pages of the registration form.

Any changes to a CM/ECF Filer's email address or his/her contact information must be made through PACER under "Manage My Account" at <https://pacer.uscourts.gov/my-account-billing/manage-my-account-login>.

Only a CM/ECF Filer's primary email address can be updated through PACER. His/her secondary email addresses must be added or updated in the Court's CM/ECF system under Utilities > Maintain My ECF Account> Email Information.

Failure to provide immediate notice of a change of a CM/ECF Filer's e-mail address may result in a finding that service upon the e-mail address of record is sufficient.

b. Required Registration Procedure for CM/ECF Users.

i. Eligibility to Register as CM/ECF User.

Except as provided in CM/ECF Procedure 1(d) ("Conventional Filing Authorized"), the following persons are eligible to request limited electronic filing privileges to the Court's CM/ECF system as a CM/ECF User:

Any person or entity, including entities who file proofs of claim and/or requests for notice, but is not appearing as a party-in-interest in a case.

Prior to requesting limited electronic filing privileges as a CM/ECF User, all CM/ECF User applicants must first have an individual PACER account. Once a PACER account is obtained, he/she then requests limited electronic filing privileges to the Court's CM/ECF system through his/her PACER account. Additionally, the applicant must then complete a Limited CM/ECF User Registration Form ([ECF Form 2](#)).

ii. Training for CM/ECF Users.

Prior to approving a request for limited electronic filing privileges to the Court's CM/ECF system as a CM/ECF User, all CM/ECF User applicants must successfully complete the Court's test for CM/ECF Users, unless the CM/ECF User applicant specifies that he/she has electronic filing privileges with another court's CM/ECF system. The test is attached to the registration form. CM/ECF User applicants may train through PACER's on-line CM/ECF training modules and may request access to the Court's CM/ECF "TRAIN" training environment. If the test is not satisfactorily completed, the Clerk of Court may require the CM/ECF User applicant to participate in further training.

CM/ECF Users with approved electronic filing privileges with a United States Circuit Court of Appeals, United States District Court, or another United States Bankruptcy Court will be approved limited electronic filing privileges as a CM/ECF User upon completion of the first two pages of the registration form.

The signed CM/ECF User registration form ([ECF Form 2](#)) and a completed test, if applicable, should be either e-mailed to ctb_ecf_registrations@ctb.uscourts.gov or sent via first-class mail to:

United States Bankruptcy Court
450 Main Street, 7th Floor
Hartford, CT 06103
ATTN: CM/ECF Registration Desk

iii. Changes to a CM/ECF User's E-mail address and Other Contact Information.

Any changes to a CM/ECF User's e-mail address or their contact information must be made through PACER under "Manage My Account" at <https://pacer.uscourts.gov/my-account-billing/manage-my-account-login>.

Only a CM/ECF User's primary e-mail address can be updated through PACER. His/her secondary e-mail addresses must be added or updated in the Court's CM/ECF system under Utilities > Maintain My ECF Account> Email Information.

c. Suspension or Revocation of Use.

The Court may, for cause, enter an order suspending or revoking a CM/ECF Filer's or CM/ECF User's electronic filing privileges to the Court's CM/ECF system. Further, the Clerk of Court, upon information received, which indicates potential risk or harm to the Court's CM/ECF system may, without prior notice, temporarily suspend participation in the Court's CM/ECF system by any CM/ECF Filer or CM/ECF User, and shall provide prompt notification of such action to the CM/ECF Filer or CM/ECF User. In the event of suspension or revocation, the CM/ECF Filer or CM/ECF User will be required to correct any condition that led to the suspension or revocation, and may be required to complete training in order to restore their access to the Court's CM/ECF system.

d. Registration Forms

When completing any of the following forms and accompanying test, please return them via e-mail at ctb_ecf_registrations@ctb.uscourts.gov. The Clerk's Office or PACER will send you additional information regarding the status of your application for electronic filing privileges.

- [ECF Form No 1](#) Filer Registration Form
- [ECF Form No 1a](#) Pro Hac Vice Registration Form
- [ECF Form No 2](#) User Registration Form

3. LOGINS, PASSWORDS, AND SECURITY

a. Login and Password.

Once the Filer Registration Form, the *Pro Hac Vice* Registration Form, or the Limited User Registration Form and test are reviewed for accuracy and approved, PACER will send an e-mail message notifying the CM/ECF Filer or CM/ECF User that his/her request for electronic filing privileges to the Court's CM/ECF system has been approved. The CM/ECF Filer or CM/ECF User will then use his/her PACER login and password to access the Court's CM/ECF system to electronically file documents in cases and proceedings before the Court.

b. Login and Password Security.

Every CM/ECF Filer or CM/ECF User is required to protect the security of his/her PACER login and password. If there is any reason to believe the security of a CM/ECF Filer or CM/ECF User's PACER login and password may have been compromised, the CM/ECF Filer or CM/ECF User must immediately notify PACER and the Court's Information Technology Department by e-mail to CTB_ECF_HELP@ctb.uscourts.gov.

CM/ECF Filers or CM/ECF Users are responsible for the entries made by any person using that CM/ECF Filer's or CM/ECF User's PACER password and login to access the Court's CM/ECF system. A CM/ECF Filer or CM/ECF User may be subject to court sanctions or other consequences for failure to take required action in connection with the security of the assigned password.

Members of a CM/ECF Filer's or CM/ECF User's staff are encouraged to participate in on-line CM/ECF training, but do not require a separate login and password to use the Court's CM/ECF "TRAIN" training environment.

CM/ECF Filer and CM/ECF User PACER accounts shall not be shared with other CM/ECF Filers and CM/ECF Users. A filer of document must use his/her own PACER account to electronically file his/her filing in the Court's CM/ECF system.

See Section 10(b) below regarding the applicability of Fed. R. Bankr. P. 9011 to documents filed electronically by an attorney.

4. ELECTRONIC NOTICE AND SERVICE

a. Request, waiver, and consent.

Registration as a CM/ECF Filer constitutes waiver of the right to personal service or first-class mail service, except for service of a Summons and Complaint in accordance with Fed. R. Civ. P. 4 and Fed. R. Bankr. P. 7004 and service of Subpoena in accordance with Fed. R. Civ. P. 45 and Fed. R. Bank. P. 9016. Nothing in these Administrative Procedures for Electronic Filing relieves any party of any applicable requirement of personal service in Fed. R. Civ. P. 4, Fed. R. Bankr. P. 7004, Fed. R. Bankr. P. 9014, Fed. R. Bankr. P. 9036, and D. Conn. Bankr. L. R. 9036-1.

Registration as a CM/ECF Filer also constitutes a written request for, and consent to, electronic service via receipt of a NEF from the Court's CM/ECF system of all documents filed on the docket of a bankruptcy case or adversary proceeding, including, but not limited to, Notices, Motions, Judgments, and Orders.

In accordance with the Federal Rules of Civil Procedure, the Federal Rules of Bankruptcy Procedure, Local Rules of Civil Procedure of the United States District Court for the District of Connecticut, and the Local Rules of Bankruptcy Procedure of the United States Bankruptcy Court for the District of Connecticut, the NEF that is automatically generated by the Court's CM/ECF system constitutes service on CM/ECF Filers of the document filed on the docket of a bankruptcy case or adversary proceeding.

Parties who are not CM/ECF Filers must be provided service of any pleading or other document electronically filed in accordance with the Federal Rules of Civil Procedure, Federal Rules of Bankruptcy Procedure, the Local Rules of Civil Procedure of the United States District Court for the District of Connecticut, and the Local Rules of Bankruptcy Procedure of the United States Bankruptcy Court for the District of Connecticut.

b. Request, waiver, and consent to electronic service of all documents filed in a bankruptcy case or adversary proceeding by a *Pro Se* Filer/Litigant, creditor, or party-in-interest.

Requests made by a *Pro Se* Filer/Litigant, creditor, or party-in-interest in accordance with D. Conn. Bankr. L. R. 9036-1 to receive notice and service of all documents filed in a bankruptcy case or adversary proceeding via the Court's CM/ECF system through an e-mail address provided by a *Pro Se* Filer/Litigant, creditor, or party-in-interest, constitutes waiver of the right to receive service of all documents by first-class mail except as provided in the **Note** below.

Requests also constitute a written request for, and consent to, electronic notice and service of all documents filed on the docket of a bankruptcy case or adversary proceeding, including, but not limited to, Notices, Motions, Judgments, and Orders via receipt of a NEF from the Court's CM/ECF system.

Except as provided in the **Note** below, the NEF that is automatically generated by the Court's CM/ECF system constitutes service of the document filed on the docket of the bankruptcy case or

adversary proceeding on the *Pro Se* Filer/Litigant, creditor, or party-in-interest in accordance with the Federal Rules of Civil Procedure, the Federal Rules of Bankruptcy Procedure, the Local Rules of Civil Procedure of the United States District Court for the District of Connecticut, and the Local Rules of Bankruptcy Procedure of the United States Bankruptcy Court for the District of Connecticut.

NOTE: Nothing in these Administrative Procedures relieves any party of the burden of personal service required by Fed. R. Civ. P. 4, Fed. R. Bankr. P. 7004, and Fed. R. Bankr. P. 9014. Service of a Summons and Complaint must be made in accordance with Federal Rule of Bankruptcy Procedure 7004 and service of a Subpoena must be made in accordance with Federal Rule of Civil Procedure 45, made applicable to all cases under the Bankruptcy Code by Federal Rule of Bankruptcy Procedure 9016. Such service is not waived because a *Pro Se* Filer/Litigant, creditor, or party-in-interest receives electronic service via e-mail of any other documents filed in a bankruptcy case or adversary proceeding.

c. Certificates of Service.

Except as provided in D. Conn. L. Civ. R. 5(c), D. Conn. Bankr. L. R. 1001-1(b), and D. Conn. Bankr. L. R. 7005-1, the Federal Rules of Civil Procedure and the Federal Rules of Bankruptcy Procedure continue to govern the filing and content of a certificate of service. A certificate of service must be included with all documents filed electronically. The party serving a document filed electronically must specify how service was made on each party, which may include electronic service through a NEF generated by the Court's CM/ECF system served on CM/ECF Filers, CM/ECF Users, appearing parties, and *Pro Se* Filer/Litigants who have consented to and been approved to receive electronic service in accordance with D. Conn. Bankr. L. R. 9036-1 and Section 4(b) of these Administrative Procedures For Electronic Filing.

d. Federal Rule of Bankruptcy Procedure 9006(f) - Additional Time After Service by Mail or Under Fed. R. Civ. P. 5(b)(2)(D) or (F).

When there is a right or requirement to do some act or undertake some proceeding within a prescribed period after service, the additional three days provided by Fed. R. Bankr. P. 9006(f) shall apply.

5. CONSEQUENCES OF ELECTRONIC FILING

a. Filing and Entry on the Docket.

In accordance with these Administrative Procedures for Electronic Filing, once a document is filed electronically on the Court's CM/ECF system, the document shall be considered filed for all purposes as required by the Federal Rules of Civil Procedure, the Federal Rules of Bankruptcy Procedure, and the Local Rules of Bankruptcy Procedure of this Court and entered on the docket of the bankruptcy case or adversary proceeding in accordance with Fed. R. Bankr. P. 5003.

b. Official Record.

When a document is filed through the Court's CM/ECF system, the official record is the electronically submitted document as it appears on the docket of the bankruptcy case or adversary proceeding, and the filing party is bound by the document as filed. A document filed through the Court's CM/ECF system is deemed filed on the date and at the time stated on the NEF.

Documents filed pursuant to these procedures as a conventional paper filing will be time stamped and converted to electronic format and stored in the Court's CM/ECF system and the electronic version will become the official record.

c. Deadline for Filing a Document--Filing Date and Time.

d. Appropriate Use of CM/ECF Events for Electronically Filing Documents.

A CM/ECF Filer or CM/ECF User shall use the appropriate CM/ECF event to electronically file documents by selecting among the categories/events provided through the Court's CM/ECF system.

The electronic signature of the Court on a judgment or order entered on the docket of a bankruptcy case or adversary proceeding shall have the same force and effect as if it was manually signed and docketed.

b. Filing Proposed Orders.

Unless otherwise ordered by the Court, a proposed order shall be filed with all motions or applications which shall be docketed as one event and one document. The submission requirements may change from time to time, and CM/ECF Filers should consult these procedures and the Court's website for any amendments: www.ctb.uscourts.gov.

14. MOTION FOR EXEMPTION FROM ELECTRONIC FILING OVERVIEW AND PROCEDURES

OVERVIEW

All documents filed in a bankruptcy case or adversary proceeding must be filed electronically, unless otherwise ordered by the Court upon motion granted for cause shown. The Court will not refuse any document for filing, but attorneys who file documents conventionally without obtaining an exemption order risk dismissal or striking of the document and may be subject to sanctions.

No blanket exemptions will be granted to attorneys. Exemption from Electronic Filing must be sought on a case by case basis. A Motion for Exemption should be submitted to the Court. The motion should be submitted in paper with the first paper document submitted for filing. Documents submitted without a motion will not be refused for filing but may result in the striking or dismissal of the document.

a. *Pro Se* Filer/Litigant.

Parties who are not attorneys are not subject to mandatory electronic filing in a bankruptcy case or adversary proceeding.

b. Not-yet-trained exemption.

An attorney must take the necessary online courses to become familiar on how to file documents electronically through the Court's CM/ECF system and certify that he/she has done so the motion for exemption.

c. Trained-but-no-login exemption.

An attorney who has completed CM/ECF training but who has not yet obtained a login and password may be granted an exemption for 15 days to complete their preparation for CM/ECF filing.

d. Other-circumstances exemption.

In addition to the exemptions listed above, the Court may grant exemptions from mandatory electronic filing if exceptional circumstances justify such relief. The exceptional circumstances in support of the motion for exemption from electronic filing should be described in detail in the motion. Exemptions for exceptional circumstances will be made on a case-by-case basis, and orders granting the exemption will apply only in the particular bankruptcy case or adversary proceeding in which the order was entered.

e. Out-of-district attorneys.

The Court's mandatory electronic filing requirements and the exemptions thereto apply to all attorneys, whether or not located in the district, and whether or not admitted to practice in the District.

f. Sanctions.

Any attorney who files documents in paper form, who fails to submit a motion for exemption, or who continues to file documents in paper form after a motion for exemption has been denied or after an exemption has expired, may risk the striking of the document without notice or a hearing, or dismissal of the case, and ultimately be subject to disciplinary action.

APPENDIX D

**GUIDELINES FOR COMPENSATION AND
EXPENSE REIMBURSEMENTS OF PROFESSIONALS**

In order to provide professionals with clear and concise procedures for compensation and reimbursement of expenses, applications for compensation and reimbursement of expenses filed shall conform substantially to the following requirements:

A. Contents of Applications for Compensation and Reimbursement of Expenses.

All applications should include sufficient detail to demonstrate compliance with the standards set forth in 11 U.S.C. § 330. The fee application should also contain sufficient information about the case and the applicant to facilitate a review without searching for relevant information in other documents. The following will facilitate review of the application.

- 1. Information about the Applicant and the Application. The following information should be provided in every fee application:**
 - a. Date the bankruptcy petition was filed, date of the order approving employment, identity of the party represented, date services commenced, and whether the applicant is seeking compensation under a provision of 11 U.S.C. other than § 330.
 - b. Terms and conditions of employment and compensation, source of compensation, existence and terms controlling use of a retainer, and any budgetary or other limitations on fees.
 - c. Names and hourly rates of all applicant's professionals and paraprofessionals who billed time, explanation of any changes in hourly rates from those previously charged, and statement of whether the compensation is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under title 11.
 - d. Whether the application is interim or final, and the dates of previous orders on interim compensation or reimbursement of expenses along with the amounts requested and the amounts allowed or disallowed, amounts of all previous payments, and amount of any allowed fees and expenses remaining unpaid .
 - e. Whether the party on whose behalf the applicant is employed has been given the opportunity to review the application and whether that party has approved the requested amount.

- f. When an application is filed more than once every 120 days after the order for relief or after a prior application to the Court, the date and terms of the order allowing leave to file at shortened intervals.
- g. Time period of the services or expenses covered by the application.

2. Case Status. The following information should be provided to the extent that it is known to or can be reasonably ascertained by the applicant:

- a. In a Chapter 7 case, a summary of the administration of the case including all moneys received and disbursed in the case, when the case is expected to close, and, if applicant is seeking an interim award, whether it is feasible to make an interim distribution to creditors without prejudicing the rights of any creditor holding a claim of equal or higher priority.
- b. In a Chapter 11 case, whether a plan and disclosure statement have been filed and, if not yet filed, when the plan and disclosure statement are expected to be filed; whether all quarterly fees have been paid to the United States Trustee; and whether all monthly operating reports have been filed.
- c. In a Chapter 12 or 13 case, where the Debtor's attorney is the applicant, whether the application complies with § 330(a)(4)(B); whether the application is in accordance with the 2016(b) statement that was filed at the beginning of the case; and whether approval of the application would have an effect on the Debtor's plan.
- d. In every case, the amount of cash on hand or on deposit, the amount and nature of accrued unpaid administrative expenses, and the amount of unencumbered funds in the estate.
- e. In every case, any material changes in the status of the case that occur after the filing of the fee application should be raised, orally or in writing, at the hearing on the application or, if a hearing is not required, prior to the expiration of the time period for objection.

3. Fee Application Cover Sheet. All applications should include a cover sheet ([see Appendix C](#)) or a summary that provides a synopsis of the following information:

- a. Total compensation and expenses requested and any amount(s) previously requested.
- b. Total compensation and expenses previously awarded by the court;

- c. Name and applicable billing rate for each person who billed time during the period , and date of bar admission for each attorney;
- d. Total hours billed and total amount of billing for each person who billed time during billing period; and
- e. Computation of blended hourly rate for persons who billed time during period, excluding paralegal or other paraprofessional time.

4. Reimbursement for Actual, Necessary Expenses. The following factors are relevant to a determination that an expense is proper:

- a. Whether the expense is reasonable and economical.
- b. Whether the requested expenses are customarily charged to non-bankruptcy clients of the applicant.
- c. Whether applicant has provided a detailed itemization of all expenses including the date incurred, description of expense (type of travel, type of fare, rate, destination), method of computation, and, where relevant, name of the person incurring the expense and purpose of the expense. Itemized expenses should be identified by their nature (long distance telephone, copy costs, messengers, computer research, airline travel, etc.) and by the month incurred. Unusual items require more detailed explanations and should be allocated, where practicable, to specific projects.
- d. Whether applicant has prorated expenses where appropriate between the estate and other cases (travel expenses applicable to more than one case) and has adequately explained the basis for any such proration.
- e. Whether expenses incurred by the applicant to third parties are limited to the actual amounts billed to, or paid by, the applicant on behalf of the estate.

B. Confidentiality Requests

If an applicant believes that there is a need to omit any information or description of services as privileged or confidential, the applicant must first get the approval of the court; provided, however, that if such a request is granted, the court may require that any application also contain a set of unredacted time records for *in camera* inspection.

C. Voluntary Reduction of Fees or Disbursements

If an applicant is not requesting all of the fees or disbursements to which it might be entitled based on the applicable hourly rates multiplied by the hours expended or based on the court order authorizing retention, the voluntary reduction must be identified in the application, including the amount of the reduction taken. If the voluntary reduction pertains to services which continue to appear in the detailed description of services rendered or to disbursements that continue to be listed, the entries for which no compensation or reimbursement is sought must be identified.

D. Provisions Regarding Disbursements

1. No Enhanced Charges for Disbursements. Except to the extent that disbursements are prohibited by these Amended Guidelines, the disbursements sought must be billed at rates, and in accordance with, practices customarily employed by the applicant and generally accepted by the applicant's clients.
2. Photocopies. Photocopies shall be reimbursable at the lesser of \$0.20 per page or cost.

Filing Instructions for the Local Form Chapter 13 Plan

The Local Form Chapter 13 Plan is a fillable PDF document that contains active programming elements. Once the PDF fillable document is completed with all necessary information, it must be converted to a PDF format that eliminates the active programming elements so that it can be filed on the Court's electronic case filing system, known as CM/ECF.

Converting The Fillable PDF Document to a PDF Format That May Be Filed (Mandatory)

The fillable PDF document can be converted to a PDF format that eliminates the active programming elements so that it is acceptable to use for uploading to CM/ECF in at least two ways:

1. The user can "print to PDF" by following these steps:
 - Open completed form
 - Click on the PRINT button on the form.
 - Printer dialogue box opens – select "Adobe PDF" as the printer.
 - Click on print button – this will create a non-editable form ready to be filed on CM/ECF. You will be asked to name the document for saving in your local directory.
 - *Note that it is recommended that users create a different name for the PDF document to be filed so that the fillable PDF format document is retained for future editing if necessary.*
2. The user can physically print the PDF form and then scan the paper copy into a PDF document to use for filing by following these steps:
 - Open completed form.
 - Click on the PRINT button on the form.
 - Printer dialogue box opens – select your printer.
 - Scan the paper document and save as a PDF document for filing on CM/ECF.

Saving the Fillable PDF Document for Further Editing (Recommended)

It is recommended that users first save the fillable PDF document to a local directory on their computer. Once that is done, the form should retain information that is input so that it populates to the form when opened later. If a user anticipates that a Chapter 13 Plan may be modified in the future, it will be important to save a copy of the Chapter 13 Plan as a fillable PDF document (i.e., keep a copy in PDF fillable format even though you will need to print it to file the original version of the form to file it as described above).

To save the fillable PDF document to a local directory, follow these steps:

- From the Adobe Menu Bar Select "File"
- Then, select "Save" or "Save As" and type a name for the document
- Save to your local directory on your computer

I. NOTICES

To Debtors: Plans that do not comply with local rules and judicial rulings may not be confirmable. All plans, amended plans and modified plans shall be served upon all creditors by the Debtor and a certificate of service shall be filed with the Clerk.

"Collateral" as used in this Chapter 13 Plan means the property securing a claim.

If the Debtor intends to determine the secured status of a claim pursuant to 11 U.S.C. § 506, or if the Debtor intends to avoid the fixing of a lien that impairs the Debtor's exemption pursuant to 11 U.S.C. § 522(f), then the Debtor must do two things: (1) indicate the Debtor's intention in this Chapter 13 Plan in the space below; and (2) file a separate motion pursuant to 11 U.S.C. § 506 or 11 U.S.C. § 522(f) following the Contested Matter Procedure or local rules adopted after December 1, 2017. If a separate motion is not filed then the Debtor will not be entitled to relief pursuant to 11 U.S.C. § 506 or 11 U.S.C. § 522(f).

The Debtor must check the appropriate box (Included or Not Included) in the chart below. If an item is checked as "Not Included," or if both boxes are checked, the provision will be ineffective if later set out in this Chapter 13 Plan.

To Creditors: Your rights may be affected by this Chapter 13 Plan. **You must file a timely proof of claim in order to be paid.** See Fed.R.Bankr.P. 3002. Your claim may be modified or eliminated. You should read this Chapter 13 Plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the Chapter 13 Plan's treatment of your claim or any provision of this Chapter 13 Plan, you or your attorney must file an objection to confirmation **no later than 7 days before the date set for confirmation of the Chapter 13 Plan**, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this Chapter 13 Plan without further notice if no objection to confirmation is filed. See Fed.R.Bankr.P. 3015.

This Chapter 13 Plan does not allow claims. The fact that your claim is classified in this Chapter 13 Plan does not mean that you will receive payment.

To All Parties: The Chapter 13 Plan contains no non-standard provisions other than those set out in Section VII. The Debtor must check one box in the chart below indicating whether any non-standard provision is Included or Not Included in Section VII of this Chapter 13 Plan.

- ☐ The Debtor intends to seek an order of the Bankruptcy Court valuing a claim pursuant to 11 U.S.C. § 506.

Secured Claims that are Subject to a Separate Motion or Adversary Proceeding Based on Valuation.

Valuations under 11 U.S.C. § 506 may be sought to determine how a secured creditor's claim will be treated in a chapter 13 plan. This Chapter 13 Plan does not value claims. To value a claim pursuant 11 U.S.C. § 506, the Debtor must file and serve a separate motion pursuant to Fed.R.Bankr.P. 3012, 7004 and 9014(b). Any other form of relief sought by a debtor, including a determination of the extent, validity, and/or priority of a secured creditor's lien, must be determined in an adversary proceeding pursuant to Fed.R.Bankr.P. 7001.

The information provided below is for information purposes only, and the Debtor's valuation stated herein is subject to change, without the need to modify this Chapter 13 Plan, based on the resolution of any motion or adversary proceeding on valuation. The amount of the creditor's claim in excess of the valuation determined by the Court for the Collateral shall be treated with other general unsecured claims and paid *pro rata* provided that the creditor timely files a proof of claim.

The Debtor intends to file a motion requesting that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the Debtor states that the value of the secured claim should be as set out below. For secured claims of governmental units, unless otherwise ordered by the Court, the value of a secured claim listed in a proof of claim controls over any contrary amount listed below. For each listed claim, the value of the secured claim as determined by the Court will be paid in full with interest at the rate stated below, upon an order of the Court on the Debtor's Motion.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Section V of this Chapter 13 Plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Section V of this Chapter 13 Plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below will retain the lien on the Collateral of the Debtor or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate.

3.3 Secured Claims Subject To Avoidance (11 U.S.C. § 522(f)).

- ☐ **None.** *If "None" is checked, the rest of this subpart need not be completed or reproduced.*
- ☐ The Debtor is seeking to avoid the fixing of judicial liens pursuant to 11 U.S.C. § 522(f). Judicial liens or nonpossessory, nonpurchase money security interests securing the claims may be avoided to the extent that they impair the exemptions under 11 U.S.C. § 522(f) as listed below. A separate motion must be filed and served pursuant to Fed.R.Bankr.P. 7004 and applicable local rules.

To avoid liens pursuant to 11 U.S.C. § 522(f), the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed.R.Bankr.P. 3012, 7004 and 9014(b). The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The details below are provided for informational purposes only, and are subject to change, without the need to modify this Chapter 13 Plan, based on the resolution of the Debtor's motion to avoid lien. The amount of the creditor's avoided lien, if any, shall be treated with other general unsecured claims and paid *pro rata* provided that the creditor timely files a proof of claim. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Section IV or V as applicable, to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid in full as a secured claim under this Chapter 13 Plan. *See*, 11 U.S.C. § 522(f) and Fed.R.Bankr.P. 4003(d). IV. TREATMENT OF FEES AND PRIORITY CLAIMS [as defined in 11 U.S.C. § 507 and 11 U.S.C. § 1322(a)(4)]**4.1 Applicability Of Post-Petition Interest.**

The Chapter 13 Standing Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in Section 4.4, will be paid in full without post-petition interest. If the court determines the Debtor is solvent or is to be treated as solvent under this Chapter 13 Plan, the Court may order post-petition interest be paid on claims.

If this Chapter 13 Plan proposes to pay post-petition interest on priority claims because the Debtor is being treated as if he or she were solvent, then interest shall be paid, if applicable, as follows: 18% interest per annum to creditors holding priority and general unsecured, municipal tax claims; 12% interest per annum to the State of Connecticut Department of Revenue Service's priority and general unsecured state tax claims; and, _____% interest per annum to the Internal Revenue Service's priority and general unsecured federal tax claims.

4.2 Trustee's Fees.

The Chapter 13 Standing Trustee's fees are governed by statute and may change during the course of the case but are estimated to be 10% of plan payments.

4.3 Administrative Attorney's Fees. ☐ PRO BONO

An attorney representing a Chapter 13 Debtor is required to file Form B2030, Disclosure of Compensation of Attorney for Debtor, pursuant to Fed.R.Bankr.P. 2016(b).

Local Bankr. R. 2016-2(b). If the total of the Debtor's attorney's fees prior to entry of a confirmation order is more than \$6,000.00, exclusive of costs, the filing of an itemized application for compensation pursuant to 11 U.S.C. § 330 is required.

☐ **None.** *If "None" is checked, the rest of this subpart need not be completed or reproduced.*

The allowed priority claims listed below are based on domestic support obligations, including domestic support obligations that have been assigned to or are owed to a governmental unit and will be paid less than the full amount of the claim under 11 U.S.C. § 1322(a)(4).

☐ There are domestic support obligations.

If this Chapter 13 Plan proposes less than full payment of a domestic support obligation then payments in this section shall be for a term of 60 months. *See*, 11 U.S.C. § 1322(a)(4).  - d. Insurance Statement. Within 14 days after the filing of the petition or Order of Conversion to this Chapter 12, the Debtor shall provide the Chapter 12 Trustee with a verified statement or written evidence from the Debtor's insurance carrier or broker that the Debtor has fire, casualty and extended coverage on the Debtor's buildings and the equipment, motor vehicle insurance on all vehicles operated on public highways, and workers compensation insurance; if applicable. 8. The Debtor shall file objections to claims within 45 days of the confirmation order and proceed promptly with the prosecution and resolution of any such objections so as not to unduly delay the Chapter 12 Trustee's distributions to creditors.
9. Plan Confirmation Requirements. The Court shall confirm a plan only if the plan provides a basis for determining whether the requirements of 11 U.S.C § 1225 (a) and (b) have been met. The requirements of §§ 1225 (a)(4), 1225 (a)(5)(B)-(C) and 1225 (a)(6)-(7) may be deemed not satisfied if the plan does not contain at least the following information:

 - l. A projected disposable income statement for the term of the plan.
 - m.  - n. The Debtor has paid all amounts that are required under a domestic support obligation and that first become payable after the date of the filing of the petition if the Debtor is required by a judicial or administrative order, or by statute, to pay such domestic support obligation.
 - o. In a Chapter 12 case, the Debtor must file the certification of payment of domestic support obligations (Appendix "H") with the Court at least seven days prior to the expiration of the Objection to Confirmation deadline. A certification must be filed prior to the confirmation of all original plans and all amended plans and all post-confirmation amended plans. If the certification is not filed with the Court, the confirmation or approval may be denied. The Certification should not be filed before the applicable plan is filed.

Failure to file post-petition federal or state tax returns or failure to timely pay post-petition federal or state tax liabilities, in the manner prescribed by Title 26, or applicable state law, absent a showing of good cause, may be considered a material

default of a confirmed plan. All post-petition federal and state tax returns and all post-petition federal and state tax liabilities are included in this paragraph, including returns or liabilities for which the Debtor is a responsible party under 26 U.S.C. § 6672 or similar state laws. Complete copies of such tax returns shall be timely provided to the Chapter 12 Trustee.

11. If the Chapter 12 Trustee and/or United States Trustee require periodic reports after confirmation of a plan of reorganization until the court grants a final decree, the information required to be reported and the frequency of the reports shall be determined at the time the plan is confirmed.
12. Failure to comply. Failure of the Debtor to comply with the instructions contained in this Order may be grounds for dismissal of the Chapter 12 case under § 1208.

1. Definition of Pro Bono Panel.

The Pro Bono Panel is established pursuant to Local Rule 9083-6. The Panel is divided into two Sections as set forth in Paragraph 2(a), and, except as set forth in Paragraph 2(d) of this Appendix, consists of attorneys who have been admitted to practice in the United States District Court for the District of Connecticut and the United States Bankruptcy Court for the District of Connecticut (the “Court”), have a primary office in this District, are in good standing, have a CM/ECF login and password in this Court, and have registered for inclusion in the Panel pursuant to Paragraph 2. Any member of the bar, otherwise qualified, may request inclusion on the Panel, either in one or both Sections and upon inclusion, shall be considered a Panel Attorney for purposes of Local Rule 9083-6. Attorneys who are members of the committee comprising the Panel Administrator as provided for hereinafter, at their option, to be considered exempt from appointment and service on the Panel, but in recognition of their service as a Panel Administrator

shall be deemed to have contributed equally to the pro bono service contemplated by Local Rule 9083-6 (b) for the calendar year in which they served.

2. List of Attorneys

- a.** The Court and the Commercial Law & Bankruptcy Section of the Connecticut Bar Association (the “CBA Section”) encourage participation in the Panel pursuant to Local Rule 9083-6. The CBA Section (or a committee or organization designated and responsive to the CBA Section) shall act as the Panel Administrator. The Panel Administrator will prepare and maintain the list of qualified volunteer attorneys for inclusion on the Panel consistent with Paragraph 1, to be grouped according to the two Sections as noted below. An attorney included in Section One of the Panel (a “Section One Attorney”) shall be eligible for appointment to represent an individual debtor recommended by the Panel Administrator in a Chapter 7 case. An attorney included in Section Two of the Panel (a “Section Two Attorney”) shall be eligible for appointment only to represent a qualified individual debtor in contested matters and a qualified individual in adversary proceedings. If any adversary proceeding or contested matter is commenced in a case where the debtor is represented by a Section One Attorney, that attorney may notify the Panel Administrator of the need to appoint a Section Two Attorney to represent the debtor in connection with the adversary proceeding or contested matter or may elect to also represent the debtor in such adversary proceeding or contested matter. Based upon the criteria set forth herein, the Panel Administrator shall periodically review the list of Panel Attorneys, and shall from time to time work to supplement said list and to delete Panel member names from the list as necessary and appropriate. The Panel Administrator should work to achieve a goal of not requesting any Section One or Section Two Attorney to participate in more than four pro bono matters on an annual basis, absent the consent of such Panel Attorney. The Panel Administrator may disclose the names of Panel Attorneys and the number of cases that a Panel Attorney handled.
- b.** An application for qualified prospective Panel Attorneys or an email address to request to obtain an application shall be made available on the CBA webpage under the “For Members – Pro Bono – Bankruptcy Pro Bono Program” section on the [CBA’s website](#). The Panel Administrator may also request any information that will be of assistance in maintaining the Panel list or the process of assigning counsel from the Panel in accordance with Local Rule 9083-6 and such other parameters as the Panel Administrator in its discretion may reasonably adopt.
- c.** After inclusion as a member on the Panel, a Panel Attorney may withdraw from the Panel by requesting in writing that the Panel Administrator remove that Panel Attorney from the Panel, either temporarily or permanently. If the Panel Attorney is removed for a specified period, the Panel Attorney will ordinarily be reinstated at the expiration of that period. It shall be the responsibility of each Panel Attorney to timely update the Panel Administrator of any change of the employer name, mailing address, phone number, fax number and email address of such Panel Attorney and any change in their license or disciplinary status with the United

States District Court for the District of Connecticut, United States Bankruptcy Court for the District of Connecticut and the State of Connecticut Superior Court.

- d. The Court may authorize a clinical program, under the auspices of one or more law schools accredited by the American Bar Association and located in this District, through which law students may appear in and represent the Debtor in matters referred to the Panel if the law student is appropriately supervised by a qualified attorney instructor who is admitted to the United States District Court for the District of Connecticut, the United States Bankruptcy Court for the District of Connecticut, is in good standing, and has a CM/ECF login and password in this Court. Such law students and attorney instructor need not be a member of the Panel, but an attorney instructor seeking to have his or her clinical program participate in the referral of pro bono matters may do so by providing such information as may be requested by the Panel Administrator including the following: (i) the name, mailing address and website address of the law school administering the clinical program; (ii) the number of students involved in the clinical program; (iii) the practices of the clinical program in supervising participating students; (iv) the name, mailing address and website address, if any, of the attorney instructor, along with the attorney instructor's electronic mail address, phone number and facsimile number; (v) the firm or organization, if any, with which the attorney instructor is affiliated; (vi) the name and mailing address of the supervisor of the clinical program, along with the supervisor's electronic mail address, phone number and facsimile number; (vii) the number of years the attorney instructor has been admitted to practice; (viii) the attorney instructor's principal practice areas; (ix) the attorney instructor's experience in bankruptcy and/or litigation matters; (x) the ability of the attorney instructor and the clinical program to represent non-English speaking clients; (xi) the courts in which the attorney instructor is admitted to practice; and (xii) preference, if any, for appointment in a particular seat of the Court in Connecticut. Once approved, the clinical program's attorney instructors and specific law students being supervised by such instructors may be treated as members of the Panel by the Panel Administrator.

3. Panel Administrator

In furtherance of the goals set forth herein, the Panel Administrator may, as it deems necessary, engage the services of a public service entity (e.g., Statewide Legal Services of Connecticut, Inc.) ("Public Service Entity") to assist the Panel Administrator with any obligation or task or delegate such obligation or task related to or concerning the pro bono program set forth under Local Rule 9083-6, including, but not limited to the application process, maintenance, screening and assignment of requests from qualified individuals seeking the services of pro bono representation. In addition, the Panel Administrator shall cause to be made available the contact information for the Panel Administrator and the Public Service Entity on the Court's website, the web page of the CBA Section or the [CBA's website](#).

The CBA, CBA Section (including any subcommittee), the Public Service Entity and any Panel Administrator (including any individual members of the Panel Administrator) shall not be

responsible for supervising or monitoring Panel Attorneys and shall have no responsibility or liability to any applicant or to any individual who has received or requested pro bono counsel assistance pursuant to or in connection with the pro bono program provided for under or in connection with Local Rule 9083-6.

4. Conditional Referral Procedure for Chapter 7 cases

- a.** Individuals seeking assistance with chapter 7 bankruptcy cases only may request Pro Bono Counsel pursuant to this Rule. Except as may otherwise be provided herein, to initiate such request, such individuals must first satisfy certain criteria and they shall fully complete the Panel Administrator's application, including all requested financial disclosures, and qualification documents as may be requested by or adopted from time to time by the Panel Administrator, and timely submit such completed documentation to the Panel Administrator. A Panel Attorney will be considered only for individual debtors or married couples who are unable to afford counsel, and who have fully and accurately completed the application and provided the documentation requested by the Panel Administrator in a manner consistent with any protocol and financial limitations adopted by the Panel Administrator. Such protocol may include both asset and income limitations as the Panel Administrator in its discretion may adopt from time to time and may incorporate available standards such as the Poverty Guidelines adopted and published by the United States Department of Health and Human Services. All applicants seeking the conditional referral of a pro bono counsel must demonstrate their inability to afford counsel by first consulting in good faith with at least two bankruptcy lawyers in Connecticut and providing the names of those lawyers, the dates of consultation and proposed terms of representation they were unable to afford as part of the application for pro bono counsel. Local Rule 9083-6 is not intended to provide any individual with a right to have counsel appointed.
- b.** The Panel Administrator will consider the designation of counsel from the Panel for appointment based upon such factors as the Panel Administrator may adopt, including but not limited to the division of Court to which a case may be assigned and the nature and complexity of the matter in which the Pro Bono Counsel is to represent the prospective client. Panel Attorneys may be conditionally referred either before or after a potential pro bono client has filed a petition for relief under or is involved in a chapter 7 case under Title 11 of the U.S. Code.
- c.** Subject to such other requirements as may be contained herein which are not inconsistent with this subsection (4)(c), an Attorney who is included in the list of Panel Attorneys and without the prospective pro bono client being otherwise required to make application as otherwise provided for herein or strictly satisfying the financial criteria for consideration under the Rule, this Appendix P, and the Application for Appointment of Attorneys form utilized by any Public Service Agency charged with vetting qualifications for assignment of Pro Bono Counsel, may agree to undertake pro bono representation of clients who in the opinion of the Panel Attorney, and with the concurrence of the Panel Administrator, if it has

concluded that the prospective client qualifies for pro bono representation. Upon accepting a pro bono representation assignment under this subsection (c) the Panel Attorney shall notify the Panel Administrator that he or she has commenced work on the assignment, and further notify the Panel Administrator upon the completion of representation of the pro bono client. It shall be the responsibility of the Panel Attorney, and a pre-condition of accepting a pro bono client under this provision, to obtain the client's execution of an acknowledgment, waiver and release in substantially the form utilized in the "Application for Appointment of Attorneys" utilized by the Public Service Entity, which form will be provided to the Panel Attorney by the Panel Administrator.

5. Responsibilities of the Conditionally Referred Attorney and Pro Bono Client

- a.** After the Panel Administrator has sent written notice of an attorney designated from the Panel to the prospective Pro Bono Client, the prospective Pro Bono Client shall have the sole responsibility for promptly contacting the designated Pro Bono Counsel, to make an appointment with Pro Bono Counsel to discuss their situation, to confirm representation and to advise the Pro Bono Counsel of any and all upcoming deadlines and hearing dates and to be responsive, cooperative and to provide assistance to counsel. Upon being notified by the prospective Pro Bono Client, Pro Bono Counsel shall determine as soon as practicable whether or not counsel will accept the representation so as to permit another conditional referral to be made, if necessary. Proposed Pro Bono Counsel and Pro Bono Client should ordinarily enter into a written pro bono engagement agreement and proposed Pro Bono Counsel may require client to execute an engagement agreement before commencement of representation. Representation of a Pro Bono Client by Pro Bono Counsel may be limited by counsel in such engagement agreement and shall not extend to appeals or other matters in contest of any judgment or order unless the Pro Bono Counsel specifically agrees in writing and in advance to undertake such representation. A notice of appearance or Statement filed pursuant to FRBP 2016 filed by Pro Bono Counsel may disclose that counsel has been referred by the Panel Administrator as Pro Bono Counsel, and, if appropriate, specify the discrete matter or matters upon which Pro Bono Counsel is to represent the client and further state that all pleadings and other papers shall continue to be served upon the client as well as upon Pro Bono Counsel. Pro Bono Counsel should send a copy of any notice of appearance filed on behalf of the Pro Bono Client to the Panel Administrator.
- b.** Unless specifically stated otherwise, appearance of Pro Bono Counsel conditionally referred by the Panel Administrator is presumed in all cases to exclude representation in any appeals from any judgment, order or decision rendered in the matter and in any adversary proceedings, and Pro Bono Counsel shall not be required to undertake such representation absent the specific prior written consent of Pro Bono Counsel.

- c. The appearance of counsel resulting from the certification by counsel to the Debtor on a voluntary petition for relief under Title 11 shall constitute a notice of appearance for purposes of Local Rule 9083-6.

6. Relief From Designation or Representation By Pro Bono Counsel

- a. Prior to filing a notice of appearance or filing a bankruptcy petition, if counsel does not wish to accept a conditional referral or otherwise decline or terminate a referral for any reason, or upon the prospective client's request, counsel shall promptly inform the Panel Administrator, who will endeavor to conditionally refer the case to another Panel Attorney, unless the termination or declination by counsel was for cause. In the event no Panel Attorney accepts the referral, the Panel Administrator shall so inform the individual and the Clerk if the Panel Administrator is aware of a pending bankruptcy matter involving that individual, and no further attempts at referral shall be required.
- b. Subsequent to filing a notice of appearance, Pro Bono Counsel may apply pursuant to the Court's Local Rules (including Local Rule 9083-6) to be relieved as counsel on any appropriate grounds.
- c. In addition to the grounds and procedures set forth under the Local Rules for withdrawal as counsel in a pending matter, if Pro Bono Counsel at any time determines that the Pro Bono Client is not qualified for pro bono representation in accordance with Local Rule 9083-6 and the applicable parameters established by the Panel Administrator, Pro Bono Counsel may and is authorized to (1) so notify the Pro Bono Client and the Panel Administrator, and may proceed to move pursuant to applicable rules, upon this basis alone, to withdraw from any matter in which an appearance has been filed, and/or to (2) terminate representation in matters in which an appearance has not yet been filed by Pro Bono Counsel and to advise the Panel Administrator and the Pro Bono Client of termination. Pro Bono Counsel may and is authorized to, but shall not be required, to disclose confidential information that supports such determination by Pro Bono Counsel. If Pro Bono Counsel determines for any reason that such counsel must withdraw an appearance, Pro Bono Counsel should also notify the Panel Administrator in writing.

7. Discharge by Pro Bono Client

A Pro Bono Client, for whom Pro Bono Counsel has filed an appearance, may request the Court, on the record in open Court or in writing, to discharge Pro Bono Counsel from such representation. The Pro Bono Client shall contemporaneously serve a copy of any such written request on Pro Bono Counsel. Upon such request, the order discharging Pro Bono Counsel will ordinarily be granted and the Pro Bono Client shall duly inform the Panel Administrator and may request designation of successor Pro Bono Counsel. In the event no Panel Attorney is designated or accepts the designation, the Panel Administrator shall so inform the Pro Bono Client and the Clerk and no further attempts to refer the matter shall be required.

8. Expenses

There being no public funds available for the purpose, Pro Bono Counsel or the firm in which such counsel is employed, may in their sole discretion, but shall not be not required to, advance the expenses of the Pro Bono Client in or for the matter consistent with the provisions of Rule 1.8(e) of the Rules of Professional Conduct. Pursuant to any outstanding protocol adopted by the Court and/or the Panel Administrator, Pro Bono Counsel may request reimbursement of such expenses from funds or sources that may be available for that purpose, or from the Pro Bono Client consistent with Paragraph 9.

9. Compensation for Services

- a.** Subject to Paragraph 9(c), no fee payment shall be demanded or accepted in connection with the services rendered by Pro Bono Counsel on matters for which such counsel has agreed to represent the client on a pro bono basis based on the conditional referral by the Panel Administrator, unless in circumstances where assets become or are available to the individual or the individual's financial circumstances improve during the term of such representation.
- b.** Upon appropriate application by Pro Bono Counsel, and taking into consideration counsel's initial agreement to take the matter without compensation, the Court may award fees and/or expenses to Pro Bono Counsel or law firm for services rendered, as permitted by applicable law, and to the extent necessary and appropriate, any such fees previously advanced by other sources, shall be reimbursed to that other source, in circumstances where there is an increase of assets of the client and/or an improvement of financial circumstances of the client.
- c.** If, after conditional referral, Pro Bono Counsel discovers that the Pro Bono Client is able to pay for legal services, counsel may disclose this information to the attention of the Panel Administrator and the Court. Upon appropriate motion, if an appearance has been filed, the Court may relieve Pro Bono Counsel from the representation and permit the party to retain other counsel or proceed pro se, or to permit Pro Bono Counsel to negotiate a suitable fee arrangement with the client.
- d.** If, after appointment, Pro Bono Counsel discovers that the Pro Bono Client is able to pay for legal services or has other parties willing to pay for same, Pro Bono Counsel may negotiate a suitable fee arrangement with client reduced to writing so as to comply with Section 1.5 of the Rules of Professional Conduct.

10. Duration of Representation

- a.** Subject to the provisions of the applicable Local Rules or order of the Court, Pro Bono Counsel's representation the Pro Bono Client in connection with a matter in which an appearance has been filed terminates on the earlier of the date (i) a final order or judgment is entered in the matter, (ii) the case is closed, or, (iii) counsel has been relieved from representing the client further by the Court. If the

bankruptcy case is continuing after the matter is concluded, counsel shall inform the Pro Bono Client in writing with a copy to the Panel Administrator, that counsel's responsibilities have concluded.

- b.** Except as set forth in Local Rule 9083-6, nothing in these rules shall be read to affect: (i) an attorney's responsibilities under the Rules of Professional Conduct or applicable law; or (ii) the manner in which and to whom a notice of appearance or notice of withdrawal must be given under the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules, or any order of the Court in the particular bankruptcy case.
- c.** A Panel Attorney shall not be considered a “debt relief agency” under 11 U.S.C. §101(12A) solely on account of being a member of the Panel or representing one or more Pro Bono Clients pursuant to Local Rule 9083-6.

11. Reporting

- a.** No later than October 31 of each year, the Panel shall file with the Chief Judge and the Clerk of Court an Annual Pro Bono Panel Summary Report that contains:

 - 1. number of total applications for pro bono representation received by the Panel,
 - 2. number of cases referred to Panel Attorneys,
 - 3. number of cases that received Panel Attorney representation under section 4(c) of this Appendix;
 - 4. a disposition summary of all the cases that received Panel Attorney representation (i.e., discharge received, dismissal, discharge of counsel by Pro Bono client, abandonment of case by Pro Bono Client, etc.);
 - 5. a summary of the number of reimbursement requests by Panel Attorneys submitted under Section 9 of this Appendix; and
 - 6. a summary of the total amount of reimbursement paid to Panel Attorneys.
- b.** The report will be due annually on October 31 and shall include information about applications submitted to the Panel within the 12-month period of October 1 of the prior year through and including September 30 of the current year of the filing of the report.
- c.** The report shall not contain reference to case numbers, names, or otherwise identify parties or attorneys.
- d.** The report is intended to provide the Court with a snapshot of the activity before the Panel.
